Allot Announces Third Quarter 2020 Financial Results

November 4, 2020

Q3 2020 revenue grew by 26% year-over-year

Reconfirms 2020 revenue guidance between \$135-140 million

HOD HASHARON, Israel, Nov. 4, 2020 /PRNewswire/ -- <u>Allot Ltd.</u> (NASDAQ: ALLT) (TASE: ALLT), a leading global provider of innovative network intelligence and security solutions for communication service providers and enterprises worldwide, today announced its unaudited third guarter 2020 financial results.

Highlights of the third quarter

- Third quarter revenues were \$34.8 million, up 26% year-over-year;
- Non-GAAP operating loss reduced to \$1.0 million compared with operating loss of \$2.2 million in the third quarter of last year; GAAP operating loss of \$2.5 million compared with \$2.2 million in the third quarter of last year;
- Non-GAAP net loss reduced to \$1.2 million compared with non-GAAP net loss of \$1.9 million in the third quarter of last year; GAAP net loss of \$2.4 million compared with \$2.1 million in the third quarter of last year.

Financial Outlook

- Management reiterates its prior-issued guidance, with expectations for full year 2020 revenues to be between \$135 \$140 million, representing accelerated double-digit growth over those of 2019.
- Management continues to expect to be profitable in the fourth quarter this year;
- Management continues to expect to close additional Recurring Security Revenue deals in 2020 and reiterates that the MAR* (maximum annual revenue potential of concluded transactions) of new deals expected to be signed in 2020 should exceed \$140 million.

Management Comment

Erez Antebi, President & CEO of Allot, commented: "We are very happy with the strong continued growth and solid performance we have shown throughout 2020. While the challenging business environment caused by COVID-19 continues to result in some delays in signing new contracts, we expect our revenues to continue to grow in the fourth quarter as well. In addition, we are very encouraged by the growing number of operators who see the need to provide consumers and SMBs with the zero touch clientless security solutions that Allot offers."

Third quarter 2020 Financial Results Summary

Total revenues for the third quarter of 2020 were \$34.8 million, an increase of 26% compared to \$27.6 million in the third quarter of 2019.

GAAP to Non-GAAP Reconciliation

Non-GAAP net income is defined as GAAP net income after excluding stock-based compensation expenses, amortization of acquisition-related intangible assets, deferred tax asset adjustment, tax related items, exchange rate differences related to revaluation of assets and liabilities denominated in non-dollar currencies and other acquisition-related expenses.

These non-GAAP measures should be considered in addition to, and not as a substitute for, comparable GAAP measures. The non-GAAP results and a full reconciliation between GAAP and non-GAAP results is provided in the accompanying Table 2. The Company provides these non-GAAP financial measures because it believes they present a better measure of the Company's core business and management uses the non-GAAP measures internally to evaluate the Company's ongoing performance. Accordingly, the Company believes they are useful to investors in enhancing an understanding of the Company's operating performance.

Safe Harbor Statement

This release contains forward-looking statements, which express the current beliefs and expectations of Company management. Such statements involve a number of known and unknown risks and uncertainties that could cause our future results, performance or achievements to differ significantly from the results, performance or achievements set forth in such forward-looking statements. Important factors that could cause or contribute to such differences include risks relating to: those related to the COVID-19 pandemic, our ability to compete successfully with other companies offering competing technologies; the loss of one or more significant customers; consolidation of, and strategic alliances by, our competitors, government regulation; the timing of completion of key project milestones which impact the timing of our revenue recognition; lower demand for key value-added services; our ability to keep pace with advances in technology and to add new features and value-added services; managing lengthy sales cycles; operational risks associated with large projects; our dependence on fourth party channel partners for a material portion of our revenues; court approval of the Company's proposed share buy-back program; and other factors discussed under the heading "Risk Factors" in the Company's annual report on Form 20-F filed with the Securities and Exchange Commission. Forward-looking statements in this release are made pursuant to the safe harbor provisions contained in the Private Securities Litigation Reform Act of 1995. These forward-looking statements are made only as of the date hereof, and the company undertakes no obligation to update or revise the forward-looking statements, whether as a result of new information, future events or otherwise.
