Tango Luxembourg Using Allot Secure to Launch Consumer Cybersecurity Services

June 21, 2022

Mobile provider deploys Allot NetworkSecure to protect customers against cyber threats.

Hod Hasharon, Israel, June 21, 2022 (GLOBE NEWSWIRE) -- [Allot Ltd.](#) (NASDAQ: ALLT) (TASE: ALLT), a leading global provider of innovative network intelligence and security-as-a-service (SECaaS) solutions for communication service providers (CSPs) and enterprises, today announced that communications service provider Proximus, under its Tango brand name, has launched cybersecurity services for its mobile residential customers in Luxembourg based on Allot NetworkSecure.

[NetworkSecure](#) is a network-based cybersecurity service platform, offering zero-touch, clientless operation, requiring no application installation by the end customer. With NetworkSecure, Tango can offer its customers protection from cybersecurity threats, including malware, viruses, phishing and ransomware. An easy-to-use interface provides branded alerts and reporting that help strengthen brand loyalty.

"We are extremely happy to offer the Allot Network Security solution to our customers, a unique and optimal protection against cyber-attacks," said Luis Camara, Chief Consumer Market Officer of Tango. "Our brand promise is centered around making things easier for our customers. With the Allot Network Secure solution we are able to offer them a robust cybersecurity product through a simple click in the My Tango app ensuring maximum peace of mind against an ever-growing number of cyber threats."

"Allot Secure is a zero-touch solution that protects the customer from cyber threats with no technical expertise required on the part of the operator or their customers," said Vered Zur, Chief Marketing Officer at Allot. "By implementing Allot NetworkSecure, Tango joins a growing number of service providers who are demonstrating concern for their customers' cyber health at all times and are adopting the Allot NetworkSecure solution."
