

COMPANY PROFILE

Allot Ltd. (NASDAQ: ALLT, TASE: ALLT) is a provider of leading innovative converged security and network intelligence solutions for service providers and enterprises worldwide, enhancing value to their customers. Our solutions are deployed globally for network and application analytics, traffic control and shaping, network-native security services, and more. Allot's multi-service platforms are deployed by over 500 mobile, fixed and cloud service providers and over 1000 enterprises. Our industry-leading network-native security-as-a-service solution is already used by many millions of subscribers globally.

MARKET FOCUS

Security: Allot is revolutionizing consumer cybersecurity. The Allot Secure suite of network-native cybersecurity solutions gives CSPs a clientless, zero-touch branded service that protects their consumer and small business customers from cyberthreats wherever they are and on any device.

Actionable Intelligence: Allot Smart solutions give CSPs and enterprises the ability to see, classify and quantify all of the activity on their networks so they can ensure consistent and reliable quality of experience and service.
