Allot Communications Delivers High Performance 100GE Solution to a New Tier-1 Fixed Operator in APAC

Allot Service Gateway Tera and WebSafe enable the operator to protect its subscribers while enhancing their experience

HOD HASHARON, Israel, July 13, 2015 /PRNewswire/ --

[Allot Communications Ltd.](#) (NASDAQ, TASE: ALLT), a leading global provider of intelligent broadband solutions that empower communication service providers to optimize and monetize their networks, enterprises to enhance productivity and consumers to improve their digital lifestyle, announced today it has won a contract with a new Tier-1 fixed operator in the Asia-Pacific (APAC) region.

The operator is deploying Allot Service Gateway Tera with 100GE interfaces and capacity, as well as Allot WebSafe solution. This high-performance platform provides a unified framework for traffic detection, policy enforcement, and service integration across the network. The Tier-1 operator is also benefitting from Allot WebSafe, a carrier-class security solution enabling regulatory compliance, which is integrated with the platform so that no additional hardware or configuration changes are required.

"Operators today need a combination of high-capacity, high-performance service gateway with added value services" said Gary Drutin, Chief Customer Officer, Allot Communications. "This new win for Allot demonstrates the strong value proposition provided by the Allot Service Gateway Tera to growing communication service providers around the globe"
