<u>Exhibit</u>	<u>Description</u>
99.1	Allot Communications Completes Acquisition of Optenet's Operations, a Leading Security-as-a-Service Solution Provider

Allot Communications Completes Acquisition of Optenet's Operations, a Leading Security-as-a-Service Solution Provider

Optenet's technology and customer base to enhance Allot's security offering for mobile and fixed operators addressing consumer and enterprises security challenges

March 24, 2015 - Hod Hasharon, Israel – Allot Communications Ltd. (NASDAQ, TASE: ALLT), a leading global provider of intelligent broadband solutions that empowers communication service providers to optimize and monetize their networks, enterprises to enhance productivity and consumers to improve their digital experience, announced today that it has completed the acquisition of Optenet's operations, a global IT security company providing high-performance Security-as-a-Service (SECaaS) solutions to service providers and large enterprises worldwide.

Key Strategic Benefits of the Acquisition

- 1) With the acquisition of the operations of Optenet, Allot has bolstered and broadened its security solutions portfolio, which operates at the network level and provides URL blacklisting, DDOS protection, Anti-Spam and Network Analytics capabilities.
- 2) The acquisition provides new monetization opportunities for mobile service providers, enabling them to provide value to residential, SMB and enterprise customers.
- 3) By leveraging Optenet's customer base, Allot can generate new opportunities with large service providers.
- 4) In addition, Optenet's products complement Allot's offering to cloud and hosting providers and large enterprises by securing the access to cloud applications and resources.
