## Allot Communications Reports 33% Increase in Revenues to \$12.5 Million for the First Quarter of 2010

*--Company Achieves \$0.01 EPS on a non-GAAP Basis--*

### Key highlights:

- First quarter revenues reached \$12.5 million, a 33% increase over the first quarter of 2009
- First quarter non-GAAP net income of \$177,000, as Company achieved profitability
- Cash, cash equivalents, deposits and investments in marketable securities increased to \$55.9 million
- Allot receives additional \$8 million in orders from a global Tier 1 mobile operator during the quarter

**Hod Hasharon, ISRAEL – May 11, 2010** – Allot Communications Ltd. (NASDAQ: ALLT), a leading supplier of service optimization and revenue generation solutions for fixed and mobile broadband service providers worldwide, today announced that it has moved to profitability on a non-GAAP basis for the first quarter of 2010, as it reported its financial results for the first quarter ended March 31, 2010.

Total revenues for the first quarter of 2010 reached \$12.5 million, a 33% increase from the \$9.4 million of revenues reported in the first quarter of 2009, and an 8% increase from the \$11.5 million revenues reported for the fourth quarter of 2009. On a GAAP basis, net loss for the first quarter of 2010 was \$446,000, or \$0.02 per share (basic and diluted). This compares with net loss of \$2.9 million, or \$0.13 per share (basic and diluted), in the first quarter of 2009, and a net loss of \$1.5 million, or \$0.07 per share (basic and diluted), in the fourth quarter of 2009.

On a non-GAAP basis, excluding the impact of share-based compensation, amortization and ARS devaluation and recoveries, non-GAAP net income for the first quarter of 2010 totaled \$177,000 or \$0.01 per share (basic and diluted), compared with a non-GAAP net loss of \$776,000, or \$0.04 per share (basic and diluted), for the first quarter of 2009 and non-GAAP income of \$19,000, or \$0.00 per share (basic and diluted), for the fourth quarter of 2009. These non-GAAP measures should be considered in addition to, and not as a substitute for, comparable GAAP measures. A full reconciliation between GAAP and non-GAAP results is provided in the accompanying Table 2. The Company provides these non-GAAP financial measures because it believes that they present a better measure of the Company's core business and management uses the non-GAAP measures internally to evaluate the Company's ongoing performance. Accordingly, the Company believes that they are useful to investors in enhancing an understanding of the Company's operating performance.

“As we anticipated, revenues continued to grow in the quarter, and we are pleased to report reaching profitability, while also improving our cash position,” commented Rami Hadar, Allot Communications' President and Chief Executive Officer. “During the quarter we received an additional \$8 million in orders from the global Tier 1 mobile operator we have been reporting on for the past year, bringing total orders from this customer to \$25 million, representing Allot's largest deployment to date. With our strong solution offering, we continue to maintain our leadership in the growing mobile market.”

Recently, the Company achieved the following significant goals:

- During the quarter, concluded 14 large deals with service providers, of which 8 represented new customers and 6 represented expansion deals;
- Of these deals, 8 were with mobile operators;
- Concluded its first deployment of its new Cellwise solution, which provides a centralized policy and traffic control solution to solve cell congestion in mobile data networks.

As of March 31, 2010, cash, cash equivalents, deposits and investments in marketable securities totaled \$55.9 million. Recent external valuations showed a decrease in value of certain ARS in the Company's portfolio as of the end of the first quarter. As a result, the Company recorded an unrealized net loss of \$0.4 million to other comprehensive income in its shareholders' equity, leaving the Company with a total of \$14.1 million in ARS at the end of the quarter.
